

WANGARATTA ALL GM SHOW AND SHINE DAY

SATURDAY

Well The Day Started Out Great Sun Shining Cars Purring Down The Ring Road To The Shell Servo At Kalkallo With All Expectations Of A Terrific Weekend With Our Club Members. When We Arrived There Was Lillian and Bruce Graham Waiting, So Sue Grabbed A Coffee While We Were Waiting For The Others HA HA HA What a Joke Two Members In Earlies And Sue In Her EJ. But The Drive Was Nice Sitting On 62mph or 100kph (For The Simple People) With A Drink/Toilet Stop At Avenel Servo Before Powering Our Way To Benalla Where We Arrived Around 1:30pm At The Country Comfort Motel. After getting our room keys we unloaded the cars, I thought I had my car keys in my pocket but you know what I thought is, I had locked them in my FX. Great start to the weekend. Finally got them out of my car. After Unloading The Cars Bruce and Lillian Went to Find A Place To Get Some Lunch And Found A Pub About 4 Blocks Away. As Sue And Myself Were Walking Out To Meet Them We Run Into Sharon And Rod In There Land Rover. We Told Them To Meet Us at the Pub Which Looked AS Though It Was A Biekie Pub. Well That's What You would Have Thought With All The Bikes Out The Front. As Rod And Sharon Arrived We Lost Rod For A Good Ten Minutes As He Was Checking Out The Bikes. After Lunch We Headed Back To The Motel To See If Other Members Had Turned Up But NO. And Then Some People Had Nanny Naps And Others Got Told Off For Having A Drink, Before Rod Getting A Phone Call From Tim Sells (Who Took Timeout Of His Weekend Away To Turn Up) To Find Out Why We Aren't At Dot and Bob Stone's Place Drinking , Because Cathy, Tim and The boy's Are Waiting Along With Janet , Mark (WAGS) , Bob , Dot and Cathrene (Bobs Mum) . So We Grabbed Our Drinks And Started The 4 House Block Trip Down To Bob's Place Where If You Were Not There You Missed Out On One Of The Best Nights WE Have Had With The Club For A While.

The Hospitality Was The Best By Far With Bob And Dot Putting On All The Food. A BIG THANK YOU From The Members That Turned Up You Wouldn't Think We Had Over 100 Members In Our Club When 6 Turn Up On A Well Organised Run Like This. Anyway That's All For The Saturday Night Back To The Motel About 10:30 For A 7:30 Breakfast.

SUNDAY
