

May Club Run Report – by Richard

During the month we held the annual working bee at the club rooms to keep on top of the maintenance. On a clear but cool autumn morning there was a good turnout with 10 earlies and 21 members present. There was general maintenance carried out on the club rooms including cleaning the roof and gutter with the younger crew getting up on the roof. The graffiti was painted out with Aldo demonstrating his spray painting skills as he gave the roller door a fresh coat of paint. The chippies and builders in the club tackled the construction of a new ramp for rocker cover races. Rod brought his racer to test the track, and it got his thumbs up. The club rooms had a thorough clean and Chris S. took care of cooking lunch for all of us. All members should be grateful to those listed below who gave up their Sunday morning to help out at the working bee.

Members with Earlies

Jim Bishop
Jim Dyer
Ray Eaton
Justin Fletcher & George
Chris Fox
Richard Fox
Ray Howlett
Chris Shepherd
John Shore
Jeff White

Members without earlies

Ray & Val Dagers
Greg Bubner
Peter Corrigan
Ralph Edwards
Rod Grummitt
Tim Sells
Gary Beardsley
Peter Charman
Trevor Dempsey
Aldo Gianchino
Russell King
