

November Club Run – Inter Club Challenge by Richard

This year for the inter club challenge we had an archery competition. Over the years we have had various challenges but this was the first time that no-one had regularly participated in the sport we were playing.

Most of us had not done archery since being at school so it was a level playing field and we decided to monitor the number of bull's eyes each club got to see which club won the challenge.

We had a briefing by the owner of the complex and he was very excited to see us- perhaps getting \$700 for an hour's archery was the reason behind that.

At the start of the one hour session there were very few people regularly hitting the targets let alone getting close to a bull's eye. As the session went on, there were a few surprise archers - from our club anyway. A few of the members from our club scored three bull's eyes and the star was Linda Corrigan. Pete, I think you should sleep with one eye open and you wont even hear them coming! Linda got about five or six bull's eyes and helped the club defeat the Melbourne Chapter 28 to 11.

There were two cars at the run that hadn't been seen lately from the club, Chris Kane's which is close to rego and Bruce and Lillian's, as they have just come back from a seven month trip around Oz - the life of a grey nomad.

After the archery we headed back to the club rooms for a barbecue lunch. This was a great team effort by a number of members, with the hot food ready to go when we arrived. Thanks to those who helped. The afternoon continued with the two clubs mixing and we wrapped it up about 3.30 with the Melbourne Chapter guys staying to stumps.

Members with Earlies

Jim & Kay Bishop
Peter Charman
Peter & Linda Corrigan
Ray & Val Dagers
Michael Delzoppo
Trevor & Sue Dempsey
Chris, Chloe & Livy Fox
Richard Fox
Bruce & Lillian Graham
Rod, Sharon & Madi Grummitt
Chris & Lyn Kane
Russell King
Ian & Jane Maclean
Paul Orchard
Paul Quigley
Mark & Janet Waghorn

Members without Earlies

Alan, Brett & Jan Delzoppo
Aldo Gianchino
